### **Distance Learning- Emphasis on Social and Emotional Learning**

**The pandemic teaching of the past year was not really distance learning, but rather crisis teaching. This session will provide teachers with the opportunity to reflect on distance learning with purpose and intent- using what works best to accelerate learning while maintaining an indelible focus on equity and SEL.**

**Nancy Frey is a Professor in Educational Leadership at San Diego State University and a leader at Health Sciences High & Middle College. She has been a special education teacher, reading specialist, and administrator in public schools. Nancy has engaged in Professional Learning Communities as a member and in designing schoolwide systems to improve teaching and learning for all students. She has published numerous books, including *The Teacher Clarity Playbook*, *Rigorous Reading* and *All Learning is Social and Emotional*.**
